Dear Community Member,

Are you aware Kentucky's burden of disease is among the highest in the nation? According to the Cabinet for Health and Family Services, cardiovascular disease is the leading cause of death in Kentucky and ranks 25<sup>th</sup> in the nation for stroke mortality. Thirty-six (36) percent of Kentucky adults have high blood pressure, forty-two (42) percent of adults report high cholesterol levels, thirty-two (32) percent of adults are obese and thirty (30) percent of adults are inactive. Being overweight or obese substantially increases ones risk of developing chronic diseases. In fact, an estimated 400,000 deaths per year in the United States are caused by excessive weight.

In an effort to increase physical activity among adults and youth in our community, the Anderson County Chamber of Commerce will be sponsoring "The Longest Day of Play" (LDOP) through our Leadership Anderson County Program. The Leadership Anderson County Program has adopted LDOP as their community service project to continue this event for the children of our community. Over 30 businesses and organizations provided a wide variety of fun activities for all age groups to encourage the incorporation of physical activity in their daily routines.

We would like to invite you to become a participating business/organization for the 2018 Longest Day of Play. Please join us so we can make this year a showcase of the tremendous and varied opportunities to engage in physical activity that are available to the residents here in Anderson County.

**Annual Longest Day of Play**  
**Tuesday, June 19, 2018**  
**5:30 pm to 7:30 pm**  
**Lawrenceburg City Park**

If you have any questions you may contact me or Linda Osborn at [accoc@andersonchamberky.org](mailto:accoc@andersonchamberky.org) or call us at 502-839-5564. We hope to see you there!

Sincerely,

*Pam Brough*, President  
Anderson County Chamber of Commerce
