The Anderson Chamber of Commerce has been building your business strong and our community strong since 1959. Providing opportunities for our members to save time, money and grow their businesses, the Anderson County Chamber is connecting our businesses and community

Every year we strive to bring our business members the tools and the incentives they need to improve their business. We are here for you & we offer cost saving benefits, an opportunity to network with other chamber partners and sponsorship opportunities that brings your business great community exposure and recognition. We also work with local City and County officials, State officials, as well as the Ky Chamber of experienced lobbyists, to ensure that Kentucky and Anderson County maintains a business-friendly climate.

Your Anderson County Chamber of Commerce has evolved into a strong viable business association with over 180 businesses (*and growing*) being represented.

Our mission is not always easy, but your ACCOC (*Anderson County Chamber of Commerce*) continues to provide leadership, and an advocate to unite businesses and advance economic growth in Anderson County. One of our main forms of communicating Chamber and local events is our e-newsletter, I would encourage you to take a couple of minutes and open that email when it arrives. You'll find a host of ways you can become more involved with your community.

WE MEAN BUSINESS!
